

PU-8080 Heavy Duty Lever Grease Gun for 3-way Use

- Universal end cap type for different preference of standard grease cartridge.
- 3-way Usage: Germany 14oz(400cc) screw type cartridge.
Traditional 14oz grease cartridge.
Traditional Bulk Loading.
- Unique cap design is energy saving by providing "genuine lubrication" in the pump.
- Knurled thick wall barrel for secure grip and better leverage.
- Short stroke "lever action" for easy use.
- Chrome plated finish for long service life.
- Come with 6" curved pipe.
- Max working pressure 8000 P.S.I.

PU-8002 Ergonomic Grease Gun for 3-way Use

- Universal end cap type for different preference of standard grease cartridge.
- 3-way Usage: Germany 14oz(400cc) screw type cartridge.
Traditional 14oz grease cartridge.
Traditional Bulk Loading.
- Unique cap design is energy saving by providing "genuine lubrication" in the pump.
- Knurled thick wall barrel for secure grip and better leverage.
- Short stroke "lever action" for easy use.
- Chrome plated finish for long service life.
- Come with 6" curved pipe.

PU-8000 Grease Gun Injection Head With Steel Tip

- Spring loaded handle for constant priming which help to Inject into grease easy.
- Heavy duty die cast head with 30-90° grease nipple for choice
- Includes 100g (3.5 oz) grease tube for convenient.
- Working Temperature : -20°~180°.

Specification

Model No.	Proof Pressure	Flow Rate	Capacity		Net Weight	
	PSI	c.c.	c.c	o.z.	lbs	kg
PU-8080	8000 PSI	TBD	400	14oz	2.0	0.9
PU-8002	6000 PSI	0.7	400	14oz	2.9	1.3

Grease Gun

PU-7000 Single Shot Air Grease Gun

- Durable cast aluminum body
- 3 loading ways: bulk, 14-oz. cartridge and filler pump
- Bleeder valve for purging unwanted air
- 40:1 output ratio
- Output per stroke: 2 ml
- Come with 9" flexible grease hose and 6" extension tube
- **Proof pressure @3600PSI**

PU-7001 Continuous Shot Air Grease Gun

- Durable cast aluminum body
- 3 loading ways: bulk, 14-oz. cartridge and filler pump
- Bleeder valve for purging unwanted air
- 40:1 output ratio
- Output per stroke: 2 ml
- Come with 9" flexible grease hose and 6" extension tube
- **Proof pressure @3600PSI**

Specification

PU-7002 2-in-1 Sing & Cont Shot Air Grease Gun for 4-way Use

- Universal end cap type for different preference of standard grease cartridge.
- 4-way Usage: Germany 14oz(400cc) & 16oz(500cc) screw type cartridge.
Traditional 14oz grease cartridge.
Traditional Bulk Loading.
- Unique cap design is energy saving by providing "genuine lubrication" in the pump.
- 4 Jaw super grip coupler for better grip and longer service life.
- Heavy duty cast aluminum body for maximum durability.
- Non-Slip knurled better grip.
- 40:1 ratio air motor.
- Includes 6" curved pipe + 9" flexible hose with standard coupler.
- **Single Shot Mode @ 4800PSI**
- **Continuous Shot Mode @ 2500PSI**

PU-7003 Single Shot Air Grease Gun for 4-way Use

- Universal end cap type for different preference of standard grease cartridge.
- 4-way Usage: Germany 14oz(400cc) & 16oz(500cc) screw type cartridge.
Traditional 14oz grease cartridge.
Traditional Bulk Loading.
- Unique cap design is energy saving by providing "genuine lubrication" in the pump.
- 4 Jaw super grip coupler for better grip and longer service life.
- Heavy duty cast aluminum body for maximum durability.
- Non-Slip knurled better grip.
- 40:1 ratio air motor.
- Includes 6" curved pipe with standard coupler.
- **Proof pressure @1600~4000 PSI**

Grease Gun

PU-7080 Professional Pistol Grip Grease Gun For 4-way Use

- Dual-leverage design allows choice between high-pressure(10000PSI) or high-volume(6000PSI) output.
- Universal end cap type for different preference of standard grease cartridge.
- 4-way Usage: Germany 14oz(400cc) & 16oz(500cc) screw type cartridge. Traditional 14oz grease cartridge. Traditional Bulk Loading.
- Includes 9" flexible hose with standard coupler.

PU-8003 Ergonomic Grip Type Grease Gun for 4-way Use

- Universal end cap type for different preference of standard grease cartridge.
- 4-way Usage: Germany 14oz(400cc) & 16oz(500cc) screw type cartridge. Traditional 14oz grease cartridge. Traditional Bulk Loading.
- Unique cap design is energy saving by providing "genuine lubrication" in the pump.
- Pistol grip handle creates plenty of leverage for all day comfort.
- Includes 100mm straight pipe with standard coupler.

PU-8001 Mini Grease Gun

- Chrome plated finish for long service life.
- Spring loaded handle for constant priming which help to Inject into grease easy.
- Heavy duty die cast head with 30-90° grease nipple for choice.
- Mini 80cc(3oz) size carry easy and convenient.
